INVITATION

Dear Colleagues,

We are very pleased to announce the closing activity of the Max Planck Rosario International Workshop Series 2016, in collaboration between the University of Rosario (UNR) and the University of Göttingen (GAUG), together with the Instituto de Investigaciones para el Descubrimiento de Fármacos de Rosario (IIDEFAR, UNR-CONICET), the Max Planck Laboratory for Structural Biology, Chemistry and Molecular Biophysics of Rosario (LMPbioR, UNR-MPIbpC) and the Max Planck Institute for Biophysical Chemistry of Göttingen (MPIbpc). These workshops are funded by the Alexander von Humboldt Foundation and the Centro Universitario Argentino-Alemán (CUAA-DAHZ).

The workshop will consist of presentations and discussions about science. The number of participants will be limited to 60, and PhD students and Post-docs will be given preference.

The workshop is free of charge.

To participate in the workshop you have to announce your intention to participate to workshopmaxplanck@iidefar-conicet.gob.ar.

We are looking forward to welcome you on the 15-16th of November!

Yours sincerely,

C. Oñate
