

Introduction Experimental Strategies

SYNTHETIC BIOLOGY

Theoretical-practical course

Directed to postgraduates and pregrade students in thesis from different careers, please apply by mail to gkausel@gmail.com

9. – 13.1.2017, VALDIVIA

**Instituto de Bioquímica y Microbiología
UNIVERSIDAD AUSTRAL de CHILE**

**Professors: Dr. Fernan Federici, UC
Dr. Tim Rudge, UC
Dr. Gudrun Kausel, UACh**

Brief theoretical introductions

Technical talks

PCR, Gibson cloning, bacterial transformation

TEAMWORK PROPOSALS for BIOENGINEERING PROJECTs

Further information, please contact gkausel@gmail.com, tel:981377852
