

Upcoming IUBMB Meetings

IUBMB Advanced School: Redoxomic Technologies and Their Application in Health and Disease

Spetses Island, Greece, September 17-23, 2018

<http://www.masstrplan.org/event/summerschool2018/>

IUBMB Focused Meeting: tRNA Biology: Transfer RNA at the Crossroads

Strasbourg, France, September 23-27, 2018

<https://trna2018.sciencesconf.org/>

IUBMB Focused Meeting: Signal Transduction and Molecular Medicine - SISTAM 2018

Bariloche, Argentina, October 16-20, 2018

www.sistam.org/

IUBMB Advanced School: Protein-Protein and Protein-Membrane Interaction: Experimental and Theoretical Approaches

Ocean Vista Azul, Varadero Beach, Matanzas, Cuba, October 22-26, 2018

http://karin.fq.uh.cu/~valiente/advanced_school_varadero_2018/

Miami Winter Symposium 2019 - Evolving Concepts in HIV & Emerging Viral Infections

Miami, Florida, USA, January 27-30, 2019

<http://www.miamiwintersymposium.com>

IUBMB Focused Meeting: The 7th Mediterranean Neuroscience Conference

Marrakech, Morocco, June 23-27, 2019

<https://neurosciencemedit.wixsite.com/mns-2019>

27th FAOBMB Conference & 44th MSBMB Conference: Biomolecules, Networks & Systems

Kuala Lumpur, Malaysia, August 19-22, 2019

www.faobmbkl2019.com

IUBMB Advanced School: The New Microbiology

Spetses Hotel, Spetses, Greece, September 4-12, 2019

Contact: Prof. Pascale Cossart (pascale.cossart@pasteur.fr)

IUBMB Focused Meeting: Inhibitors of Protein Kinases. Kinase Inhibitors in Target Biology and Disease

Warsaw, Poland, Sept. 14-18, 2019

Contact: Prof. Jaroslaw Poznanski (jarek@ibb.waw.pl)

IUBMB Focused Meeting: Tissue Homeostasis in Health and Disease - The 2019 Champalimaud Symposium

Lisbon, Portugal, Oct. 8-11, 2019

Contact: Dr. Henrique Veiga-Fernandes (preaward.osp@research.fchampalimaud.org)
