

SBBMCh Week INSIGHTS

1. The SBBMCh Week will be held in a Virtual Convention Center that will allow direct and interactive participation.
2. Conferences, Symposia and Oral Communications provide a space for an active conversation (Q&A) on October 26-28, 2021.
3. The Conferences will be in Spanish or in English with simultaneous Spanish translation leaving behind the limitations regarding the English language.
4. The Oral Communications, Poster presentation and Symposiums will be in Spanish or English, depending on the speaker preference.
5. The Poster exhibition will be held from **October 22nd** through **30th**. The authors can be contacted using a messaging platform during this period; otherwise, synchronously during the Poster Session on Wednesday 27th through the Networking tools.
6. There will be Awards for the outstanding Oral and Poster Communications presented by undergraduate and graduate students. These awards are sponsored by the IUBMB and therefore called IUBMB-SBBMCh Outstanding Oral Presentation and IUBMB-SBBMCh Outstanding Poster Presentation. Two awards for each category will be presented.
7. Two sessions of "SBBMCh New Members" will allow us to welcome members who have joined our society during 2021 and to learn about their research.
8. "Networking" rooms will be available to chat/meet in a relaxed environment during Coffee breaks and/or to have scientific or social gatherings anytime during the SBBM Week.
9. There will be stands of our sponsors, which will allow them to deliver important information about their scientific services and activities. You can visit and contact them at any time from **October 26th to 28th**.
10. The **SBBMCh Week Convention Center** has a friendly and intuitive environment. It will be very easy to move around from one place to another and interact with all the attendees. Tutorials and the assistance desk will be available to help the virtual experience.
