

Scientific Communications

There are two types of scientific communication: Oral presentation and Poster presentation. Please, select your preference when you submit the abstract.

Oral presentation

This format allows the speaker to present the scientific research (10 min) which is immediately followed by 5 minutes of Q&A

Authors must prepare a 10-minute talk that includes at least: introduction, results and conclusions.

Authors may choose to display a presentation as a ppt or equivalent format. Please, includes a first slide including the title, author list, affiliation, and funding. The presentation content must be in English.

All the oral presentations will be displayed using a computer provided by the SBMCh. The presentation should be sent to the organization in advance (deadline will be announced).

Poster presentation

This format allows the speaker to present the scientific research as a poster during a special section of the Annual Meeting. This section is dedicated for interaction and active discussion between the speaker and the attendees. In addition, poster could be visited for the attendees during the meeting encouraging networking.

Authors must prepare a printed poster of dimensions for posters are 90 cm wide x 100 cm 90 cm long wide x 110 cm long

Poster should include the following sections: Title, Introduction, Methods, Results and Conclusions. References and acknowledgment may also be included. Poster content must be in English.

At the top of your poster include the title, author list and affiliation in the same format you used in the submitted abstract. Please, include below the e-mail address of the speaker (the person presenting the poster).

The text, illustrations, etc. should be large enough to be read easily from two meters distance. We recommend the usage of basic fonts like Arial or Verdana.

The following font sizes are recommended

- The Title should be at least 84 point
- Section headers should be at least 48 point
- Body text should be at least 24 point

The dimensions of the poster board are: *90 cm wide x 110 cm long*. The suggested final dimensions for posters are *90 cm wide x 100 cm long*.

Please note that authors are responsible for hanging the poster on time for presentation according to the Final Program. Authors are also responsible for and removing it at the end of each session.

Please refer to the Final Program for the assignation of the poster number. There will be a board with the number on the poster room.

Materials necessary to hang up posters will be available on the poster room.
